JAPAN

Letter from the CEO

Join us in Japan! One of our favorite destinations, this intoxicating island nation evokes a distant past and an effervescent future blended into one exotic culture. We'll experience it all—not only the famous bullet train, the Great Buddha, the UNESCO World Heritage sites, and the many shrines, gardens, and temples—but also the surprises around every corner. Did you know Japan is home to a thriving gin and sake scene, and more Michelin-starred restaurants than you can count?

In Kyoto, the imperial capital, we'll visit the famous Ryoanji Temple, passing young geishas on the way, and the magnificent Golden Pavilion and Nijo Castle. Aside from the sites, this leafy city has been rejuvenated with artists, specialty craft shops, chic concept stores, and pop-up boutiques.

Tokyo pulses with neon glitz and dynamic energy that flows all the way to the iconic, snow-clad Mount Fuji. After exploring the city, we find serenity at the renowned Shinto Shrine and Imperial Palace—a tranquility that remains long after returning home from Japan.
