Letter from the CEO

Come along with us to Croatia, one of the sunniest and most colorful spots in Europe – the aqua Adriatic, chartreuse countryside, red clay rooftops of historic cities, and pink sunsets lighting the many islands strewn across the sea. Croatia is a playful place, full of life and vigor. We'll experience it all, from simple pleasures like having a coffee outdoors and wandering the open-air markets to taking in the lively music scene and basking on the beach at Golden Cape. We'll spend an afternoon wine-tasting, exploring Plitvice National Park, meandering Medieval castles, or kayaking through fairy-tale scenery. We'll discover the magic of Zagreb, city of museums and must-see sites, from the 13th-century Stone Gate to the landmark St. Mark's church. We'll visit the Diocletian Palace in Split, one of the world's best-preserved Roman monuments. We'll gaze at the mighty walls of Dubrovnik, from a cable car above or a magnificent ship below and stroll the streets of the seven-centuries-old, fortressed city, one of ten UNESCO World Heritage sites gracing this enchanted country.

Michael Gelber,
CEO & Chairman of the Board
