# Letter from the CEO

Join us in Hungary! Our tours string together the three pearls of urban European beauty. Discover Budapest, along with Prague and Vienna, on our Luxury Small Group Departures, Jewish Heritage tours, and three rail journeys. Budapest is a fascinating city where

the picturesque Danube divides Buda, home to the Royal Palace, Matthias Church, and the panoramic views at Fisherman's Bastion; and Pest where the impressive Parliament, Heroes' Square and popular Market Hall are situated. Stroll the Vaci Street area, immerse yourself in local life, and savor a delicious Hungarian meal aboard a

scenic dinner cruise along the Danube. Our excursions explore the Budapest countryside and several towns along Lake Balaton, often called "The Hungarian Sea," and the largest freshwater lake in Central Europe. We visit Balatonfüred, the oldest wellness destination of Hungary, and Siófok, the lively center of the southern area of the lake. Journey with us to experience a warm Hungarian welcome and an intimate look at the unique Hungarian lifestyle and culture.

The background of the entire page is a photograph of a European city, likely Prague, featuring a river (Vltava) and a large stone bridge (Charles Bridge). The city is built on a hillside, with numerous red-roofed buildings and a prominent church spire visible in the distance. The image is overlaid with a dark blue gradient.
