# Letter from the CEO

Experience all the splendors of Spain—a country of exquisite cultures, rich regional diversity, and a centuries-old history still flaunting beauty and influence today. Explore medieval villages in the Basque country, Moorish treasures and the Alhambra in Granada, Rioja's castles,

palaces, and wines, and Sevilla's spellbinding Gothic cathedral and hypnotizing flamenco. Marvel at the colorful whimsy of Gaudi and wander with the throngs along Las Ramblas in Barcelona. Enthrall at the world-famous Guggenheim Museum and tantalizing tapas in Bilbao, and the acres of orange groves in Valencia. Discover northern Spain by

luxury train, feast on fruits of a Michelin star chef in San Sebastian, and bask in the celebrated Costa del Sol. Meet Madrid, Spain's vibrant capital, and feel the city's pulse from the Puerta del Sol. Stroll the elegant Calle Alcala and Paseo de Castellana, visit the Prado Museum, and delight in the spectacular fountains, plazas, and statues. Explore UNESCO World Heritage sites in Toledo and Cordoba, where the Mezquita will mesmerize you. Spain's enchantment will stay with you long after you return home—we promise!
