IWOT TRAVEL: DAY 1-4

ROUTE

RED LAND: KINGDOMS AND PHAROAHS

DAY 1

The journey begins in Eilat, Israel's southernmost city at the northern tip of the Red Sea near Jordan. This popular resort destination is known for calm waters, snorkeling, diving, and dolphins. After a private transfer to the ship, you'll be welcomed aboard to enjoy our signature cocktail at check-in and meet your fellow passengers prior to the customary introduction and safety session. Get settled in your cabin and feel free to explore the facilities on the Elysium as we sail toward nearby Aqaba, Jordan for afternoon arrival and overnight.

DAY 2

In Aqaba you can relax on a pristine beach, soak up the sun, and enjoy the peaceful atmosphere for quiet contemplation. If you're a history lover, visit the 16th-century Mamluk Castle and then head to the nearby Aqaba Archaeological Museum, which provides the best introduction to Aqaba's intriguing past. It displays an impressive collection of Bronze Age artifacts that date back to 4000 BC, including the medieval Fatimid coins.

Optional excursions to world-renowned Petra and Wadi Rum are available. The remarkable city of Petra, carved out of sandstone cliffs during the 1st century BC, is less than a two-hour drive away. Lost to time until 1812, it was occupied more than 9,000 years ago and includes hundreds of tombs, houses, temples, altars, obelisks, and a theater. Wadi Rum is famous for its association with T.E. Lawrence, the original "Lawrence of Arabia," and for serving as a backdrop to the Star Wars movie "The Rise of Skywalker." Overnight at sea.

DAY 3

We arrive in the beach resort town of Hurghada, Egypt this afternoon. Enjoy the remainder of the day at your leisure. The long stretches of white sandy beaches and crystal-clear blue waters make it one of Egypt's most popular tourist destinations and one of the best spots to bask in the sun or take part in water sports. Overnight here.

DAY 4

Hurghada is a popular diving destination, and there are multiple dive schools here. Snorkeling along the reef to see brightly colored fish is also enjoyable. Shoppers will find plenty of enticing boutiques. The ship offers quiet places to relax, read, and enjoy the view as we depart in the evening for Saudi Arabia. Overnight at sea.

IWOT TRAVEL: DAY 5-8

ROUTE

RED LAND: KINGDOMS AND PHAROAHS

DAY 5

We'll arrive in Saudi Arabia at midday at a picturesque port city with a stunning harbor. Optional tours are available including city tours and visits to nearby attractions. Overnight here.

DAY 6

Enjoy a leisurely morning lounging at a beautiful beach or exploring the port city. Nearby attractions are worth a visit. After everyone has returned to the ship, we'll start cruising to Sharm El Sheikh, Egypt providing a perfect time to soak up the sun while surrounded by the magnificent scenery. Overnight at sea.

DAY 7

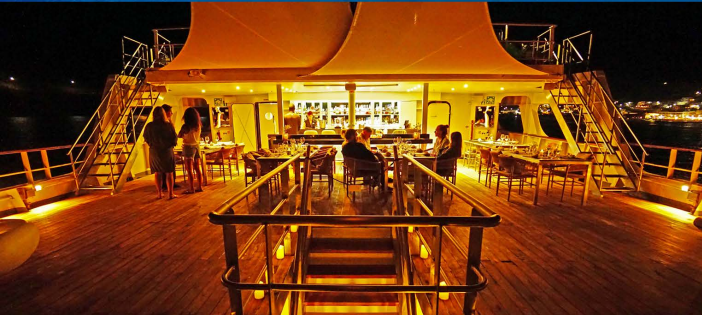

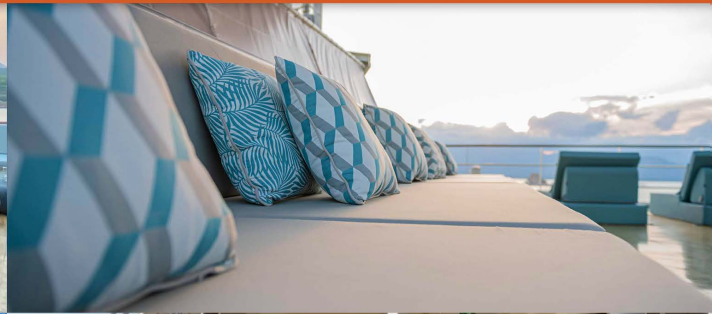

We'll reach Sharm El Sheikh ("City of Peace") this morning--a fabulous resort town with idyllic beaches and turquoise waters home to vibrant coral reefs. There are multiple optional excursions available here, including a dive at Ras Mohamed National Park, renowned for offering some of the best diving in the Red Sea, with vertical overhangs of at least 328 feet deep. A jeep safari is also an option, as well as a history and culture tour through the city that includes the chance to shop at the Old Market. Once everyone is back onboard, we'll depart for Eilat, overnighting at sea. This is a perfect time to enjoy the ship's jacuzzi and perhaps a sunset wellness session.

DAY 8

After a week of exploring the magnificent Red Sea, your cruise will soon come to an end. Savor one last breakfast onboard, and then say your farewells to the captain, crew, and new friends before disembarking between 9:00 and 10:00 a.m. Your driver will be waiting to provide private transport to the airport in Eilat, where you can catch a flight for further travels, or for your return home. Wherever you go, we wish you safe travels and hope to host you on another memorable cruise again soon.
