A GRECIAN ODYSSEY

Welcome to the Elysium...a Boutique Discovery cruise ship dedicated to a fusion of wellbeing and immersive travel.

Your time aboard the Elysium will be extraordinarily unique, unlike any other cruise experience. A balanced blend of relaxation, wellness, discovery, and fun!

Visit pristine coves and beaches only accessible by yacht, discover ancient civilizations, learn a new craft, have a massage, meditate at sunset, sip a chilled drink, hike a volcano, fish with locals, snorkel, stargaze, read a book. You decide. The Elysium awaits to soothe your soul and excite your senses.

With only 25 comfortable and spacious cabins, grand interior and exterior spaces, a spa, a gym, deliciously healthy Mediterranean cuisine, and an array of daily activities--from guided meditation and yoga to cooking lessons and water sports--the elegant Elysium will pamper you, spoil you, and captivate you forever.

MEET YOUR CREW

CEO - Ioannis Terdimos

WELCOME ABOARD THE ELYSIUM

Co-founder and managing director of Elixir Boutique Cruises, Ioannis has held leading positions in the cruise and yachting industry for ten years. His dream was to redefine and pioneer the boutique cruise sector and in 2020 he created a cruise company that did just that. Elixir Cruises set sail against all odds in the midst of a global pandemic but quickly became a success story, heralded as "the new boutique cruise company that feels like being on a private yacht." Surrounded by a talented and loyal team, Ioannis leads Elixir Cruises into the future with an open mind, clear vision, and an intuitive understanding of travelers' needs. More ships and destinations are in his plans. A true citizen of the world, Ioannis has lived and traveled in many countries across the globe, and he is a firm believer that travel is the 'elixir' of life and authentic, boutique cruising even more so.

The Elysium team genuinely cares. Everyone goes above and beyond with a smile. Our onboard team consists of the main crew, the Captain, the Cruise Director, the Hotel Manager, a resident Yoga/Pilates Coach, our Balinese Spa Therapist, as well as visiting masters and a guest archaeologist on select theme cruises.
